PROFESSIONAL SUMMARY

I specialize in developing dynamic **WordPress** websites with custom design, utilizing tools such as **Elementor Pro** and **Crocoblock**. I incorporate modern trends and best practices, while experimenting with **3D technologies (Spline)** to create **interactive experiences** that stand out in the Greek market.

WORK EXPERIENCE

WEB DEVELOPER

PARAGON MARKETING & MANAGEMENT

02/2021 - 04/2025 Athens, Greece 🏠 Remote Work

By proposing the transition from older Page Builders to more modern solutions, I contributed to the advancement of the technological infrastructure, improving both performance and project efficiency.

Participated in the development of websites for major clients. These sites gained wide recognition, contributing to their establishment in the digital space.

SOFTWARE DEVELOPER

TEKMON GEOMATICS E.E.

04/2018 - 09/2018 Ioannina, Greece

Successfully developed a candidate evaluation website using HTML and PHP. This project contributed to the efficient management of the evaluation process and enhanced transparency in the recruitment of new university staff.

EDUCATION

UNIVERSITY OF WESTERN MACEDONIA

10/2019 - 06/2022 Grevena, Greece

BUSINESS ADMINISTRATION WITH A SPECIALIZATION IN INFORMATION SYSTEMS MANAGEMENT

Thesis:

Development of a candidate evaluation website using the PHP programming language.

*Attended additional courses and modules required for the transition from Technological Educational Institute (TEI) to University (AEI).

IEK AKMH

T.E.I. OF WESTERN MACEDONIA

10/2014 - 06/2018 Grevena, Greece

INFORMATION SYSTEMS MANAGEMENT

DIGITAL SKILLS

WordPress, Elementor, Crocoblock, Figma, CSS, HTML, PHP, ACF, CPT, Photoshop, Affinity Designer, 3D Studio Max, Spline, MS Office, LibreOffice, JavaScript, DaVinci Resolve

ADDITIONAL SKILLS

Web Design

I continuously develop my skills in web design by following modern tutorials and applying the latest practices in UI/UX and responsive design. My goal is to enhance both creativity and technical precision in every project.

3D Modelling & Animation

I maintain an active interest in the 3D field, exploring how three-dimensional content and animation techniques can be integrated into modern websites. My work with tools such as Spline and 3D Studio Max provides an innovative perspective on web design and contributes to creating more interactive experiences.
